The Saskatchewan Heavy Construction Association uses personal information in the following ways:

- For identification purposes on all correspondence and communications between the Association or representatives of the Association and the member company/individual representing that company as a contact point between member company and the Association or representatives of the Association
- To recognize achievements, contributions, special undertakings by an individual company
- For billing and accounting services
- To comply with any legal and regulatory requirements including auditing requirements
- To verify accuracy of personal information

Submission of the annual membership fee indicates implied consent.

We will send you an invoice based on your category.

Regular Members (Groups A-E)

Those persons, firms, partnerships or corporations engaged in road building and heavy construction in Saskatchewan.

Associate Members

Those individuals, firms or corporations whose operations may include, but are not limited to materials supply, equipment supply, technical services, consulting services (including engineering firms), financial, bonding, or legal services. In addition, any other firms or individuals who have as one of their primary client bases the heavy construction contractor.

Infrastructure Owner

Those firms, partnerships, corporations, or governments that purchase heavy construction services from construction contractors in Saskatchewan. This is a non-voting membership category and does not hold a position on the Board of Directors, they do however access all other benefits of an association member.

Social Members

Those individuals who have retired from the category of regular member may be eligible to become a social member.

Regular/Associate/Consultant Branch Members

This is a subcategory of membership for eligible companies that already hold a membership under the Regular, Associate or Consultant category. This membership is intended to provide services for additional locations of an existing SHCA member company.
